Melted Pat

Guided by Voices

Damn good, Mr. Jam Melted Pat knows where she's at She's copping a buzz On something that was Melted Pat thinks that it's good And maybe she should Cause it's always good She's knocking around She's always up to knocking around She's always up to knocking around She's knocking around She's knocking around Melted Pat she's losing her care She's losing her hair And now she's not there Melted Pat she's telling me that I'm living a lie I'm wearing a tie She's going away She's always up to going away She's always up to going away She's going away She's going away
