

## Rainbow Billy

Guided by Voices

Rainbow Billy  
Where you gonna go  
When it's all over  
And Rainbow Billy  
I have no home  
And it's all too slow  
Oh you and me  
Rainbow Billy  
Where you gonna go?  
???  
On my knees baby  
On my knees baby now  
Rainbow, rainbow Billy  
What you gonna do?
