

Red Gas Circle

Guided by Voices

.....went ahead..we went ahead
And set it up and knock it down
You see it follly the (?)
Now it's crumbling to the cold unforgiveable ground
You did it you had a hand in it
And now it's circling around
Oh yeah it's circling around
Im coming back to this world
To get things straight

Hey are you coming
Please don't be late

I just can't wait
