

Striped White Jets

Guided by Voices

Send in the striped white jets
In through stained glass ceilings, ah-sh-sh-sh-sh-sh-sh
Color them white or red

Don't let anyone find out
Or expose your feelings, ah-sh-sh-sh-sh-sh-sh
Cover your head instead

And penetrate this dark heart
And as the wound is healing, ah-sh-sh-sh-sh-sh-sh
Crawl to the other side
