

## Striped White Jets

Guided by Voices

Send in the striped white jets  
In through stained glass ceilings, ah-sh-sh-sh-sh-sh-sh  
Color them white or red

Don't let anyone find out  
Or expose your feelings, ah-sh-sh-sh-sh-sh-sh  
Cover your head instead

And penetrate this dark heart  
And as the wound is healing, ah-sh-sh-sh-sh-sh-sh  
Crawl to the other side
