

## Strumpet Eye

Guided by Voices

Strumpet Eye  
Draw below  
She got me to go  
Every hand grabs  
Every moment  
Can I see you, strumpet eye?  
Strumpet eye?  
Dig a rare earth angel gone  
Strumpet eye  
Was cheated in a romance  
Strumpet eye  
Can barely get into her own pants  
In time  
Strumpet eye!
