

Teenage FBI

Guided by Voices

Someone tell me why
I do the thingsThat I don't want to do?When you're around me
I'm somebody elseSomeone tell my why
I act like a fool
When things don't go my way
When you're around me?
I'm somebody elseThere is good reason I guess
Having it once gone too far
When you clean out the hive
Does it make you want to cry?
Are you still being followedBy the Teenage FBI?Someone tell me
whySomeone tell me whySomeone tell me why
I do the thingsThat I don't want to do?When you're around me
I'm somebody else
Someone tell me whySomeone tell me whySomeone tell me why
I do the thingsThat I don't want to do?When you're around me
I'm somebody elseSomeone tell my why
I act like a fool
When things don't go my way
And you're around me?
I'm somebody elseThere is good reason I guess
Having it once gone too far
When you clean out the hive
Does it make you want to cry?
Are you still being followedBy the Teenage FBI?Someone tell me

I do the thingsThat I don't want to do?When you're around me
I'm somebody else
