

The Qualifying Remainder

Guided by Voices

Callus his heel and long ago
A chance for you to ??soul train low
The poets of ears the fleshy goat??
Can lurch souls within the snow a steel coat
A melting snail
The kind of thing
That he once knew but
I don't see you
The way you see me
And I don't leave you
The way you try me
I leave it up to fine
And will ??buy?? mine
The last of ??line??
The asian bottle in the drawer
The asian bottle in the drawer
The qualifying
The qualifying, qualifying...
