

## Underground Initiations

Guided by Voices

Good morning finger  
Approximate a plan  
To sell another t shirt  
So how's your head hurt  
And what's to understand  
Of elevated teachers  
You like a metal fan  
On high at times  
So go protruding hands  
In aerospace arena  
Interference dead  
Let it go you don't need it anyhow  
All at your finger tip selection-fly in all directions now!  
Let it go you don't need it anyhow  
All at your finger tip selection-fly in all directions now!
