

## Made Up Love Song - 43

Guillemots

I love you through sparks and shining dragons, I do  
Now there's poetry in an empty Coke can  
I love you through sparks and shining dragons, I do  
Now there's majesty in a burnt out caravan  
You got me off the paper round  
Just sprang out of the air  
The best things come from nowhere  
I love you, I don't think you care  
I love you through sparks and shining dragons, I do  
And the symmetry in your northern grin  
I love you through sparks and shining dragons, I do  
I can see myself in the refill litter bin  
You got me off the sofa  
Just sprang out of the air  
The best things come from nowhere  
I can't believe you care, care
