

# Nothing's Going To Bring Me Down

Guillemots

Silence in the libraries,  
Not gonna bring me down.  
Singing the voice that you studied out real  
Nothing's gonna bring me down.

Nothing's gonna bring me down  
Nothing's gonna bring me down  
Nothing's gonna bring me down today  
Believe me  
Nothing's gonna bring me down  
So what if I need it anyway?

Home  
Home is a bucket  
Try to settle on something  
Hard, you make me  
Cry loud little tears  
And try to be the best man and again

Nothing's gonna bring me down  
Nothing's gonna bring me down  
Nothing's gonna bring me down today, tomorrow, anyplace, anyway  
Nothing's gonna bring me down  
Nothing's gonna bring me down  
Nothing's gonna bring me down, no.  
I couldn't get any longer, anyway.

Nothing's gonna bring me down  
Nothing's gonna bring me down  
Nothing's gonna bring me down  
Nothing's gonna bring me down
