

Slow Train

Guillemots

Slow train going out of here tonight
Slow train's going out of here tonight
Come back away from here
Come back away from here

Slow train's going out of here tonight
And I want it but I cannot see it
And I'm in it but I cannot see it

Don't slow me down
It's just another day
Don't slow me down
It's just another day

Don't count your cornerstones
Come count your cornerstones

Slow train's going out of here tonight
And something that you cannot see is so far away you're almost
in it

Don't slow me down
It's just another day
Don't slow me down
It's just another day

Don't slow me back to ground
Don't show me back around, around

Oh it's heavier than you'd believe
So light that you can barely feel it

Don't slow me down
It's just another day
Don't slow me down
It's just another day
It's just another day
It's just another day
It's just another day
