

Life Is Just A Bag Of Tricks

Gummy Bear

Life is just a bag of tricks
Life is just a bag of tricks
(Here we go)

We are so funky, we got the magic motion
Come and join us in our crazy jet plane
We will fly with the powerful rainbow
We will dance in the place called moon
You will see the land of the fantasy
We will swim on the seven seas
Come on over, let's go to the place of fun
Come on, come on

Life is just a bag of tricks
Full of fun and full of crazy tributes
Life is just a bag of tricks
Iggy iggy iggy bop bop
Life is just a bag of tricks
Full of fun and full of crazy tributes
