

Nuki Nuki (The Nuki Song)

Gummy Bear

I'm off to school
play on my computer
my nuki never leaves my mouth
even on the playground
or on the rollercoaster
I never take my nuki out.

Nuki nuki nuki
how I love my nuki
I'ts mine alone untill the end
nuki nuki nuki
sweeter than a cookie
I'll share it if you are my friends.

Nuki nuki nuki
how I love my nuki I'ts mine alone untill the end
nuki nuki nuki
sweeter than a cookie
I'll share it if you are my friends.

All around the world
the places I show up
my nuki never leaves my mouth
big and strong
I'll be when I grow up
but I'll never take my nuki out

Nuki nuki nuki
how I love my nuki
It's mine alone untill the end
nuki nuki nuki
sweeter than a cookie
I'll share it if you are my friends.

y friends.
