Brother Moon

Gungor

Brother moon Shine down your light on us tonight Show us the love of God Sister sun you bring out the day You're shining the light of God on your face today Maker of it all You provide it all In You we live In You we move In You we have our being You're glorious You're holding us together all together Brother wind your clouds and your storms You're breathing the breath of God in your lungs for us Mother earth, you're giving us life with God's open hand you al ways provide For us Maker of it all You provide it all In You we live In You we move In You we have our being You're glorious You're holding us together all together You are everything good, you are everything beautiful You are everything, you're everything
