

Every Breath

Gungor

Every breath
Every moment life beats in my chest
Springs up from your hand
Creation resounds
With every color and every sound
Your love is calling

I will love you with all of my heart
I will love you with all of my mind
I'll love you with all of my strength
Love you with everything

Every breath every moment life beats in my chest
Let my life praise you

I will love you with all of my heart
I will love you with all of my mind
I'll love you with all of my strength
Love you with everything

Here I am Lord
All I am Lord
Here I am Lord
I am yours
