

Late Have I Loved You

Gungor

Late have I loved you
Beauty so ancient so new

Late have I loved you
You were within me, but I was outside you

And it was there that I searched for you
It was there that I searched for you

Late have I loved you
Beauty so ancient so new

Late have I loved you
You were here with me, but I was not with you

And it was there that you found me
It was there that you found me

You called and you shouted
You broke through my deafness
You flashed and you shone,
Dispelled all my blindness
You breathed your fragrance on me

You breathed your fragrance on me

Late have I loved you
Late have I loved you

You called and you shouted
You broke through my deafness
You flashed and you shone,
Dispelled all my blindness
You breathed your fragrance on me

You breathed your fragrance on me

I drew in your breath
And I keep on breathing
I've tasted, I've seen
And now I want more
'Cause you breathed your fragrance on me
You breathed your fragrance on me

Late have I loved you
Late have I loved you...
