

# You Have Me

Gungor

Out on the farthest edge  
There in the silence  
You were there

My faith was torn to shreds  
Heart in the balance  
But you were there

Always faithful  
Always good  
You still have me  
You still have my heart

I thought I had seen the end  
Everything broken  
But you were there

I've wandered heaven's gates  
I've made my bed in hell  
But you were there still

Always faithful  
Always good  
You still have me  
You still have my heart

You have me  
You have me  
You have my heart completely
