Came from beefaroni, all I see is lobster
Lamborghini lover, keep my bitches darkest
I pay them boys to do it, keep my record flawless
May run for state attorney just to free my dogs
I chose to run these streets until I was a boss
Don't call it yo house until you paid it off
I pay up for a mouth just like a round of golf
I try to stay in shape, I'm standing counting ones
Red Lamborghini, bitches know I'm drivin one
Niggas buyin pussy, boss buyin pussy
I could buy the blub, boss buyin toosies
Diamonds on my neck, call me KOD
I just want it for a nigga, so I pay the fee
