

Real Niggas

Gunplay

Chorus:

I got real niggas that drink, real niggas that smoke
I got real niggas with pain, real niggas who broke
I got real niggas with OZs, real niggas with bricks
Real niggas who broke trees, real niggas who sniff
Real niggas who snow, real niggas who won't
Real niggas who sip... strapped up at fifteen
Real niggas that gang bang, real niggas that claim blood
Real niggas that cripple, show them boys the same love

I know real niggas that...
Real niggas that caught bodies
Real niggas with no charges
Little jerks with no consciousness
Little niggas that's bitch, and just wanna see you eat
Ain't gonna front your block... and get you right back on your feet
Now that's a real nigga, I... that
A real nigga don't bounce back
Lame niggas gonna pump up
A real nigga gonna house that.
Pussy niggas be playing but my money ain't no game
You play with that there,
You don't lay with that... chain
I know real niggas that bought trap
Got wild, what now?
No space, no room, fuck new move, watch out!
Real nigga, that's all I be
Real thief, that's all I see
Real magic, that's all I am
Still matching, that's all I need

Chorus:

I got real niggas that drink, real niggas that smoke
I got real niggas with pain, real niggas who broke
I got real niggas with OZs, real niggas with bricks
Real niggas who broke trees, real niggas who sniff
Real niggas who snow, real niggas who won't
Real niggas who sip... strapped up at fifteen
Real niggas that gang bang, real niggas that claim blood
Real niggas that cripple, show them boys the same love

I know a real nigga named gun play
... on his gunplay
I know real shooters know bowling... no confe
I got real niggas that... cause a real nigga got...
Cause a real nigga just don't care, a real nigga gonna ride
I got a real nigga that's sitting
I know fuck nigga that talk
I know real niggas that been there
I'm a real niggas that won't
I got real niggas that die for
... in the life after
I got real niggas that been real
And these niggas ain't rappers
I got real niggas that's masons
Real niggas that's satious
Real niggas that's Cuban and some little niggas that's crazy

I got real niggas in wheelchairs
Real niggas we in here, real niggas that been scared
Real niggas shit...

Chorus:

I got real niggas that drink, real niggas that smoke
I got real niggas with pain, real niggas who broke
I got real niggas with OZs, real niggas with bricks
Real niggas who broke trees, real niggas who sniff
Real niggas who snow, real niggas who won't
Real niggas who sip... strapped up at fifteen
Real niggas that gang bang, real niggas that claim blood
Real niggas that cripple, show them boys the same love!

I know real niggas on the West Side, real niggas on the East
Real nigga downside to the Midwest street
I got a real nigga named Peanut that ain't really here to speak
I got a real nigga named Tano, I know they don't set...
I'm a real nigga that can't hide, get money and... dick ride
Real niggas on my team, true niggas on this side
I got real niggas that's quiet, real niggas that's riot
I got real niggas that sell dope, and hustlers that's gonna buy it
I got real niggas 25 8
No hustler, I fly...
Real niggers don't pay that shit, inject... right away!
Real niggers with... real niggers with none
I got real niggers with nickle bags and real niggers with tones

Chorus:

I got real niggas that drink, real niggas that smoke
I got real niggas with pain, real niggas who broke
I got real niggas with OZs, real niggas with bricks
Real niggas who broke trees, real niggas who sniff
Real niggas who snow, real niggas who won't
Real niggas who sip... strapped up at fifteen
Real niggas that gang bang, real niggas that claim blood
Real niggas that cripple, show them boys the same love
