

Hair of the Dog

Guns N' Roses

Give me a little bit of volume on this

Heart-breaker, soul shaker
I've been told about you
Steamroller, midnight stroller
What they been saying must be true

Red hot mama
Velvet charmer
I say time's going to pay your dues

Now you're messing with a, a son of a
Now you're messing with a son of a bitch
Now you're messing with a, a son of a
Now you're messing with a son of a bitch

Talking jivey, poison ivy
You ain't going to cling to me
Man taker, born faker
I ain't so blind I can't see

Red hot mama
Velvet charmer
I say time's going to pay your dues

Now you're messing with a, a son of a
Now you're messing with a son of a bitch
