

# Patience

Guns N' Roses

Shed a tear cause I'm missing you  
I'm still alright to smile  
Girl I think about you every day now

Was a time when I wasn't sure  
But you set my mind at ease  
There is no doubt, you're in my heart now

Sad woman take it slow  
It will work itself out fine  
All we need is just a little patience

Sad sugar make it slow and  
It comes together fine  
All we need is just a little patience

Sit here on the stairs  
Cause I'd rather be alone  
If I can't have you right now  
I'll wait dear

Sometimes I get so candescent  
But I can't speed up the time  
You know love, there's one more thing  
To consider

Sad woman take it slow  
And things will be just fine  
You and I just use a little patience

Sad sugar take the time  
Cause the lights are shining bright  
You and I got what it takes to make it

We don't fake it  
Ahh and never break it  
Cause I can't take it

A little patience  
Mhh Yeah

I've been walking the streets tonight  
Just trying to get it right  
It's hard to see with so many around  
you know I don't like being stuck in a crowd  
And the streets don't change but maybe the name  
I ain't got time for the game  
Cause I need you  
Yeah Yeah cause I need you  
Uh I need you  
Woh I need you  
Uhh this time
