Shed a tear cause I'm missing you I'm still allright to smile Girl I think about you every day now

Was a time when I wasn't sure
But you set my mind at ease
There is no doubt, you're in my heart now

Sad woman take it slow

It will work itself out fine

All we need is just a little patience

Sad sugar make it slow and It comes together fine All we need is just a little patience

Sit here on the stairs
Cause I'd rather be alone
If I can't have you right now
I'll wait dear

Sometimes I get so candescent
But I can't speed up the time
You know love, there's one more thing
To consider

Sad woman take it slow
And things will be just fine
You and I just use a little patience

Sad sugar take the time Cause the lights are shining bright You and I got what it takes to make it

We don't fake it Ahh and never break it Cause I can't take it

A little patience Mhh Yeah

I've been walking the streets tonight
Just trying to get it right
It's hard to see with so many around
you know I don't like being stuck in a crowd
And the streets don't change but maybe the name
I ain't got time for the game
Cause I need you
Yeah Yeah cause I need you
Uh I need you
Woh I need you
Uhh this time
