I'm reckless and feelin' no pain
You know I've got no need to control
Livin' with the danger
I'm always on the edge now
With million dollar visions that I hold
Livin' like this never ever
Tore my life apart
I know how to maintain
And you know I know my part

On a holiday, a permanent vacation I'm living on a cigarette with wine I'm never alone 'cause I've got myself Yes, I imitate myself all of the time

Livin' like this never ever
Tore my life apart
I know how to maintain
'Cause it's comin' from my heart

I lead a reckless life
And I don't need your advice
I lead a reckless life
And you know it's my only vice

Reckless life
I lead a reckless life
I lead a reckless life
And you know it's my only...

Reckless life
I lead a reckless life
I lead a reckless life
And you know it's my only...
Hey, hey - yeah!
