

Crying In The Rain

Guru Josh

I'm crying
Yes, I'm crying in the rain
Like teardrops
Frozen in the snow

I'm coming
Yes, I'm coming with you now
Like a river's flow
the go in to your heart

I'm crying
Yes, I'm crying in the rain
Like teardrops
Frozen in the snow

I'm crying
Yes, I'm crying in the rain

I'm higher
Yes, I'm higher than a kite
No [?]
Stop me falling down

I'm crying
Yes, I'm crying in the rain
Like teardrops
Frozen in the snow

I'm crying
Yes, I'm crying in the rain
Like teardrops
Frozen in the snow

I'm crying
Yes, I'm crying in the rain

I'm crying
Yes, I'm crying in the rain
