

G Major

Guster

Everyone here's in trouble
The man with the megaphone
Smoke and mirrors and crystal balls and red alerts and all beca
use
Of the king who hides behind the pawns
I can see what's really going on
I can see what's really going on

Everyone here's a bubble
Merrily floating on
Manicured suburban lawns and patriotic country songs
Pledge allegiance, sing along
I can see what's really going on
I can see what's really going on

Everyone here's in trouble
Angels abandon guard
History is cyclical
Crusaders and the biblical
Light the torches bang the gongs
I can see what's really going on
I can see what's really going on

Na na na na-na
Na na na na-na
Na na, na na
Na na, na na

Na na na na-na
Na na na na-na
Na na, na na
Na na, na na
