

## G Major

Guster

Everyone here's in trouble  
The man with the megaphone  
Smoke and mirrors and crystal balls and red alerts and all beca  
use  
Of the king who hides behind the pawns  
I can see what's really going on  
I can see what's really going on

Everyone here's a bubble  
Merrily floating on  
Manicured suburban lawns and patriotic country songs  
Pledge allegiance, sing along  
I can see what's really going on  
I can see what's really going on

Everyone here's in trouble  
Angels abandon guard  
History is cyclical  
Crusaders and the biblical  
Light the torches bang the gongs  
I can see what's really going on  
I can see what's really going on

Na na na na-na  
Na na na na-na  
Na na, na na  
Na na, na na

Na na na na-na  
Na na na na-na  
Na na, na na  
Na na, na na
