

## Lazy Love

Guster

Wake on up, let's not get lazy, love  
We're always so lazy, love  
We're wasting our time

When we came up, we were amazing, love  
We were amazing, love  
We were divine

Come on up, let's not get lazy, love  
We're always so lazy, love  
Wasting our time

When we came up, we were amazing, love  
Let's get amazing, love  
We are divine
