

# (Nothing But) Flowers

Guster

Here we stand  
Like Adam and an Eve  
Waterfall  
Garden of Eden

Two fools in love  
So beautiful and strong  
The birds in the trees  
Are smiling upon them

Since the age of the dinosaurs,  
Cars have run on gasoline.  
Where, where have they gone now?  
It's nothing but flowers

There was a factory,  
Now there are mountains and rivers  
You got it, you got it  
We caught a rattlesnake,  
Now we've got something for dinner  
You got it, you got it  
This was a shopping mall,  
Now it's all covered with flowers  
You got it, you got it  
If this is paradise,  
I wish I had a lawnmower  
You got it, you got it

Years ago  
I was an angrier man  
I pretend  
I was a billboard

Standing tall  
By the side of the road  
I fell in love  
With the beautiful highway

This used to be real estate  
Now it's only fields and trees  
Where, where is the town now?  
It's nothing but flowers

The highway's cars  
All sacrificed for agriculture  
Guess we thought that we'd start over  
But I guess I was wrong

Once there were parking lots,  
Now it's a peaceful oasis  
You got it, you got it  
This was a pizza hut,  
Now it's all covered in daisies  
You got it, you got it  
I miss the "Honky-Tonks"  
Dairy Queens and 7-11s  
You got it, you got it

And as these fell apart,  
Nobody gave much attention  
You got it, you got it

I dream of cherry pies,  
Candy bars and chocolate chip cookies  
You got it, you got it  
We used to microwave,  
Now we just eat nuts and berries  
You got it, you got it  
This was a discount store,  
Now it's turned into a cornfield  
You got it, you got it  
Don't leave me standing here,  
I can't get used to this lifestyle
