

## Perfect

Guster

Played follow the leader  
Keeping my steps in time  
Counting on the wonder ahead  
I leave the pain behind

It's on me  
It's all mine  
Go away  
They're my mistakes

They're not your problem  
Pinned down in this heaven  
I'll die a thousand times  
Aware of the damage ahead

I'll leave the pain behind  
Another day  
A perfect day  
A twinge of pain

The sting of the needle  
So warm at the bottom  
Warm never felt so kind  
And for a moment or two

I leave it all behind  
It's on me  
It's all mine  
Go away, they're my mistake and not your problem

Black dog  
White picket fences  
Mow them down and dance in the rip tide  
Face down in consequences

Crack me up and stay on your own side  
Another day  
A perfect day  
A twinge of pain, the sting of the needle

Starin at the walls provide  
A brilliant sight through eyes of the needle  
I wish I may  
I wish I might

I pray my soul to keep tonight  
When all the walls start staring back  
A perfect day  
A sting for the last time
