

So Long

Guster

Yes, I heard all that you had to say
That's when it all fell apart
Might be hated, but I can't pretend
I liked you better before

So long, So long
Front foot leads the back one
Go on, and it won't be too soon
I'm gone, I'm gone
And onto the next one
So long, and I won't be back soon

Yes, I'm be blue, but from holding my breath
Like I have from the start
I'm a villain and I should confess
I liked you better before

So long, So long
And onto the next one
Go on, and it won't be too soon
I'm gone, I'm gone
Bet you saw this one coming
So long, and I won't be back soon

It's hateful to say, See it this way
Don't even know who you are
But in my defense, I'd do it again
Don't need to know who you are

So long, So long
And onto the next one
Go on, and it won't be too soon
Your gone, Your gone
Are you waiting for something?
Go on, 'cause I won't be back soon

It's hateful to say, see it this way
Don't even know who you are
But in my defense, I'd do it again
Don't need to know who you are

So long, So long
Front foot leads the back one
Go on, 'cause you won't be too soon
You're lost and gone
And onto the next one
Don't need to know who you are
Don't need to know who you are
