

Stay with Me Jesus

Guster

1945, the year I was born
My mother died, but left behind a son
You stayed with me Jesus
Yes, you showed the way
You flew down from Heaven, to steal me away

In 1959 two cars collide
Nine in the crash and 1 survived
You stayed with me Jesus
Yes, I testify
You flew down from Heaven, to keep me alive

Hallelujah, hallelujah

Hallelujah, hallelujah

1985 I missed a plane
which then disappeared, never seen again
You came to me Jesus, stood right in my way
You flew down from Heaven to save me again

Everywhere I go they run in fear
This mortal coil, the end is near
You stayed with me Jesus, bow my head and pray
You've come down from Heaven to keep me safe
You've come down from Heaven to keep me safe

Hallelujah, hallelujah

Hallelujah, hallelujah

Hallelujah, hallelujah

Hallelujah, hallelujah
