Stay with Me Jesus

1945, the year I was born My mother died, but left behind a son You stayed with me Jesus Yes, you showed the way You flew down from Heaven, to steal me away

In 1959 two cars collide Nine in the crash and 1 survived You stayed with me Jesus Yes, I testify You flew down from Heaven, to keep me alive

Hallelujah, hallelujah

Hallelujah, hallelujah

1985 I missed a plane which then disappeared, never seen again You came to me Jesus, stood right in my way You flew down from Heaven to save me again

Everywhere I go they run in fear This mortal coil, the end is near You stayed with me Jesus, bow my head and pray You've come down from Heaven to keep me safe You've come down from Heaven to keep me safe

Hallelujah, hallelujah

Hallelujah, hallelujah

Hallelujah, hallelujah

Hallelujah, hallelujah
