

This Could All Be Yours

Guster

There's a message in the skies and in the streets
Opportunity, the American dream
It's in the radio, it's superstars
Are the arteries and veins that feed your heart

From the Dairy Queen to the head of the parade
In a blink your life could change

This could all be yours someday
This could all be yours someday
This could all be yours someday
This could all be yours, be yours someday

Oh-oh-whoa-oh-whoa-oh
Someday
Oh-oh-whoa-oh-whoa-oh
Someday
Oh-oh-whoa-oh-whoa-oh
Someday
Oh-oh-whoa-oh-whoa-oh

You come as Elvis Presley every Halloween
And dream of sing-a-longs the whole wide world will sing
Into the great unknown, Horatio
Desire and ambition fuel this heart

So take a breath and step into the light
Everything will be all right

This could all be yours someday
This could all be yours someday
This could all be yours someday
This could all be yours, all yours someday

Oh-oh-whoa-oh-whoa-oh
Someday
Oh-oh-whoa-oh-whoa-oh
Someday
Oh-oh-whoa-oh-whoa-oh
Someday
Oh-oh-whoa-oh-whoa-oh

This could all be yours someday
This could all be yours someday
This could all be yours someday
This could all be yours, all yours someday
Someday
Someday
Someday
