

# This Could All Be Yours

Guster

There's a message in the skies and in the streets  
Opportunity, the American dream  
It's in the radio, it's superstars  
Are the arteries and veins that feed your heart

From the Dairy Queen to the head of the parade  
In a blink your life could change

This could all be yours someday  
This could all be yours someday  
This could all be yours someday  
This could all be yours, be yours someday

Oh-oh-whoa-oh-whoa-oh  
Someday  
Oh-oh-whoa-oh-whoa-oh  
Someday  
Oh-oh-whoa-oh-whoa-oh  
Someday  
Oh-oh-whoa-oh-whoa-oh

You come as Elvis Presley every Halloween  
And dream of sing-a-longs the whole wide world will sing  
Into the great unknown, Horatio  
Desire and ambition fuel this heart

So take a breath and step into the light  
Everything will be all right

This could all be yours someday  
This could all be yours someday  
This could all be yours someday  
This could all be yours, all yours someday

Oh-oh-whoa-oh-whoa-oh  
Someday  
Oh-oh-whoa-oh-whoa-oh  
Someday  
Oh-oh-whoa-oh-whoa-oh  
Someday  
Oh-oh-whoa-oh-whoa-oh

This could all be yours someday  
This could all be yours someday  
This could all be yours someday  
This could all be yours, all yours someday  
Someday  
Someday  
Someday
