## Guttermouth

I was down on my luck tired of working for my bucks  
So I bought a one way ticket on a 40 foot long bus  
This can't be happening to me  
I think It just a dream  
Halfway there I saw the glare  
This place is fuckin heaven

I believe, believe in God  
Before I found Las Vegas I'd say burn that synagogue  
Now I believe, believe in God  
In just one night I saw the light  
So grab a cab and hold on tight

Slots-o-fun, slots-o-fun

I used to feel so lost no gambling in my life  
Now there's no turning back I'd even bet my wife  
This can't be happening to me  
I'm losing everything  
I say dear lord I'll steal a ford  
And put it down on red

I believe, believe in God  
To you it's just Jesus Christ to me it's Jesus Keno  
I believe, believe in God  
Fuck my health I just want wealth  
And ceasar is my leader yea

Slots-o-fun, slots-o-fun

Evil I don't see no  
My son's now named casino  
Ask me why god lives here  
You know I'll just say bingo  
I'm making it a point to place a bet at every joint  
Drink more booze I just can't lose  
This place is fuckin heaven

I believe, believe in God  
It didn't take me much  
I went there on a hunch  
I believe, believe in God  
Lucky number seven take me straight to heaven
