

Lucky The Donkey

Guttermouth

My mother fucked a donkey
down in Mexico
she had treinta margaritas
treinta years ago
her purse had just been stolen
she rad to make some cash
for fifty thousand pesos
the donkey fucked her ass

I'm so ashamed it makes me sick
my mothers box was his salt lick
human-donkey fornication
her taco is the destination

It soon became apparent
it wasn't for the dough
a genuine fiesta -
at the donkey show
the crowd would shout "ole!"
as she nibbled on his sack
they never had a patron
demand their money back

A real freak show in the pit
the donkey's fucking my moms tits
acting like a true rancho
dancing around a big sombrero

The donkey's name was Lucky
oh, boy, he loved to fuck
he'd get so damn excited
he'd kick and make you duck
if you want to be star
it's easy to be famous
just pull down your pants
let lucky fuck your anus

I'm so ashamed it makes me sick
my mothers box was his salt lick
acting like a true rancho
dancing around a big sombrero

Lucky, the luckiest donkey
Lucky, the luckiest donkey
Lucky, the luckiest donkey
Lucky, the luckiest donkey
