

When I think of you
I ponder all the things ah that we could do
Like take-away some Chinese
And we'll make home brew
That's what we could do
When I think of us
I want o sell my car off
And I'll take the bus
And tell 100 strangers bout the two of us
And your brand new bust
It's just you and me
How I wish we were Siamese
Joined together at the hip
Walking down the sunset strip
It's just you and me
You and me
You and me
It's just you and me
Let's buy a little boat and head out to sea
The captain will marry us
We'll live so happily
Till we're lost at sea
It's just you and me
You and me you and me uh huh
just you and me
It's just you and me
