

# All She Wants Is You

Guy Clark

He's sneaky like Tennessee whiskey  
He always takes me by surprise  
He feels safe, he feels risky  
He's got the devil in his angel eyes

There's nothing I can't tell him  
There's nothing he ain't heard  
When he don't say nothing  
Man I hang on every word

He's got nothing to prove  
He's got nothing to lose  
He's got everything on a string  
Still all he wants is you

Everybody's got some baggage  
But he knows how to travel light  
He don't judge anyone  
He knows wrong from right

He don't need your permission  
He don't need no direction  
He'll steal your soul in a heartbeat  
Yet he ain't guilty of nothing

He's got nothing to prove  
He's got nothing to lose  
He's got everything on a string  
Still all he wants is you

He's got nothing to prove  
He's got nothing to lose  
He's got everything on a string  
Still all he wants is you
