

## Baby Took a Limo to Memphis

Guy Clark

She did not want to drive  
She did not want to fly  
She did not want to wait  
For a bus to come by

She did not want to hassle  
She did not want to hurry  
She didn't want to know  
What is cost, don't worry

Baby took a limo to Memphis  
Seemed like the thing to do  
Baby took a limo to Memphis  
She did it 'cause she wanted to

She was not lookin' back  
She was lookin' good  
She was not in the mood  
To be knockin' on wood

She knows what she wants  
She knows how to get it  
She knows what it takes  
Just do it, don't regret it

The shortest distance between two towns  
Is ridin' in a limo with the windows down

Don't ask why she's going  
She might let you know  
Don't ask when she's coming back  
'cause she don't know

Don't let her fool you  
She's nobody's fool  
She knows what's tacky  
She knows what's cool
