

Good to Love You Lady

Guy Clark

Now here comes Texas rolling through my mind
There ain't nothing to it, mama don't be crying
It's just one of those things that everyone goes through

Just an old time feeling, don't mean no harm
So roll me in your lovin' arms
Everybody needs a little help from time to time

If I could change anything then I wouldn't be me
And I wouldn't have you, it's plain to see
I need all of the help that I can get

Everybody's got 'em some kind of past now
And here comes that old snake in the grass now
Lord, it's good to be in Tennessee with You

It's good to have you lady, ooh on my side through it all
It's good to see you lady, ooh when that rain starts to fall
It's good to love you lady, Lord that's the best of all

Now here comes Texas rolling through my mind
There ain't nothing to it mama don't be crying
It's just one of those things that everyone goes through

Everybody's got 'em some kind of past now
And here comes that old snake in the grass now
Lord, it's good to be in Tennessee with You

It's good to have you lady, ooh on my side through it all
It's good to see you lady, ooh when that rain starts to fall
It's good to love you lady, Lord that's the best of all
