Heartbroke

Who wouldn't notic the fire in your eyes Or the bitter direction of impending goodbyes I'm fallen and folded and wilted in place At the sight of you standing with streaks down your face

Heartbroke and runnin' from the reason Heartbroke Don't give up on believin' in me Heartbroke Who kept me from leavin' with my Heartbroke

Pride is a bitch and a bore when your lonely Sheer madness prevails upon reason to yield But all is not lost it is only mistaken That's small consolation but I know just how you feel

Heartbroke and runnin' from the reason Heartbroke Don't give up on believin' in me Heartbroke Who kept me from leavin' with my Heartbroke

Nobody said it was goin' to be easy We all have feelings that need a softer touch But nobody said that it would not be worth it The human condition continues as such

Heartbroke and runnin' from the reason Heartbroke Don't give up on believin' in me Heartbroke Who kept me from leavin' with my Heartbroke
