I threw a rock through your window Just to let you know I love you Just to let you know I care and I ain't scared To have you see how I feel I blew a kiss through your keyhole Just to let you know I'm breathin' Just to try and smack you in the heart, if I was smart I'd give up and go back home I'm not tryin' to say I'm sorry I'm trying to say I love you I'm not tryin' to make excuses Nor set myself above you I'm not tryin' to rearrange it I'm not sayin' I can change it The only thing I'm tryin' to do is try I was hidin' by the back porch Just to try and catch you leavin' Just to try and catch you unaware I don't care If that ain't fair, I ain't proud I'm not tryin' to say I'm sorry I'm trying to say I love you I'm not tryin' to make excuses Nor set myself above you I'm not tryin' to rearrange it I'm not sayin' I can change it The only thing I'm tryin' to do is try I leaned on your doorbell Just to see if you would answer Just to see if you would open up, no such luck I'll come back when you calm down I'm not tryin' to say I'm sorry I'm trying to say I love you I'm not tryin' to make excuses Nor set myself above you I'm not tryin' to rearrange it I'm not sayin' I can change it

The only thing I'm tryin' to do is try
