

A Little Kiss Goodnight

Guy Mitchell

Well, I've had a wonderful time. I think I'd better be going in now.

Gee Dodo, didn't you forget something?

Don't I get a little kiss goodnight?

Dear, you'll have to wait, I've never done that on the very first date

Don't I get a chance to hold you tight?

Though I'm in a whirl, I hope you don't think that I'm that kind of girl

Looking in your eyes can make me weak, dear

Please, just your cheek, dear

No telling what I would do for a little kissing

And what'll you do if my father's listening?

If we kiss you may not call again.

Swear with all my might I'm going to call you for Saturday night

Dear, why can't the kiss just wait for then?

Got me so perplexed, I really don't know what to say to you next

Breaks my heart how near it is

Well, ok honey, here it is

Wow!

All of this for a tiny little kiss goodnight

Mmm, mmm-mmm, mmm-mmm, mmm-mmm, mmm-mmm

Let me kiss you pet?

I wanted to kiss you the minute we met

Mmm, mmm-mmm, mmm-mmm, mmm-mmm, mmm-mmm

I'm the kind of guy

That doesn't mind powder all over his tie

It's getting awfully late, we'd better get, dear

One cigarette, dear

King-size

This time, don't look at the clock up in the steeple

Ain't it a shame when you're working people?

Do you have a hero of your dreams?

All he'd have to be is really and truly in love with me

'Cause you and I see eye to eye, it seems

I would give and give and what would I care if the two of us live

In a palace or a tent

Darling, may I pay the rent?

Oh, yeah

All of this from a tiny little kiss goodnight

Goodnight

Goodnight
