

Cloud Lucky Seven

Guy Mitchell

When you're in love, when you're in love, when you're in love,
You're walkin' on cloud lucky seven
Hah, seven is the cloud nearest heaven
When you're in love, when you're in love, when you're in love.

You never know, you never know, you never know,
There's no way that you can detect it
It can happen when you least expect it
You never know, you never know, you never know.

When you meet someone new
You're on clouds one and two
With someone who
makes you feel like singing
As you see more and more
of the one you adore
You're on clouds three and four
And bell are ringing
When you reach five and six
Then your heart bumps and kicks
There's one more cloud to go

When you're in love, when you're in love, when you're in love,
You're walkin' on cloud lucky seven
Hah, seven is the cloud nearest heaven
When you're in love, when you're in love, when you're in love.
Love, love
When you're in love.

(Orchestral Break)

When you meet someone new
You're on clouds one and two
With someone who
makes you feel like singing
As you see more and more
of the one you adore
You're on clouds three and four
And bell are ringing
When you reach five and six
Then your heart bumps and kicks
There's one more cloud to go

When you're in love, when you're in love, when you're in love,
You're walkin' on cloud lucky seven
Wow, seven is the cloud nearest heaven
When you're in love, when you're in love, when you're in love.
Love, love
When you're in love.
