

# Look at That Girl

Guy Mitchell

Look at the girl, she's like a dream come true  
Ah look at that girl, can blue eyes be so blue  
Look at the way she walks, listen when she talks  
With each word my heart just skips  
Oh if I could kiss those lips

Mmmm

Look at that girl, you see what I see  
Oh look at that girl, she's walking straight to me  
That's right, last night I held her tight  
Ho ho it happens all the time  
I look at that girl, and I can't believe she's mine

(Look at the girl, she's like a dream come true)

I don't believe it they're making it up  
(Look at that girl can blue eyes be so blue)  
But if I'm dreaming please don't wake me up  
Just look at the way she walks  
Listen when she talks  
With each word my heart just flips  
Oh if I could kiss those lips

Look at that girl, do you see what I see  
Look at that girl  
She's walking straight to me  
That's right, last night I held her tight  
It happens all the time  
I look at that girl, and I can't believe she's mine
