

# She Wears Red Feathers

Guy Mitchell

(She wears red feathers and a huly huly skirt)  
(She wears red feathers and a huly huly skirt)  
She lives on just cocynuts and fish furrom the sea  
A rose in her hair a gleam in her eyes  
And love in her heart for me

I worked in a London bank  
Respectable position  
From nine to three they serve you tea  
But doom your disposition  
Each night at the music hall  
Travelogues I'd see  
And once a pearl of a native girl  
Kept smiling right at me

She wears red feathers and a huly huly skirt  
She wears red feathers and a huly huly skirt  
She lives on just cocynuts and fish furrom the sea  
A rose in her hair a gleam in her eyes  
And love in her heart for me

Goodbye to the London bank  
I started in the sailin'  
The fourteenth day from Mandalay  
I spied her from the railin'  
She knew I was on my way  
Waited and was true  
She said you son of an Englishman  
I've dreamed each night of you

She wears red feathers and a huly huly skirt  
She wears red feathers and a huly huly skirt  
She lives on just cocynuts and fish furrom the sea  
A rose in her hair a gleam in her eyes  
And love in her heart for me

I went to her ma and pa  
And said I loved her only  
And they both said we could be wed  
Oh what a ceremony  
An elephant brought her in  
Placed her by my side  
While six baboons got out bassoons  
And played here comes the bride

I'm back here in London town  
And though it may sound silly  
She's here with me and you should see  
Us walk down Picadilly  
The boys at the London bank  
Kinda hold their breath  
She sits with me and sips her tea  
Which tickles them to death

She wears red feathers and a huly huly skirt  
She wears red feathers and a huly huly skirt  
She lives on just cocynuts and fish furrom the sea

A rose in her hair a gleam in her eyes  
And love in her heart for me
