

# Angels Brought Me Here

Guy Sebastian

It's been a long and winding journey, but i'm finally here tonight  
Picking up the pieces, and walking back into the light  
Into the sunset of your glory, where my heart and future lies  
There's nothing like that feeling, when i look into your eyes..  
.

My dreams came true, when i found you  
I found you, my miracle...

If you could see, what i see, that you're the answer to my prayers  
And if you could feel, the tenderness i feel  
You would know, it would be clear, that angels brought me here..  
..

Standing here before you, feels like i've been born again  
Every breath is your love, every heartbeat speaks your name...

My dreams came true, right here in front of you  
My miracle...

If you could see, what i see, you're the answer to my prayers  
And if you could feel, the tenderness i feel  
You would know, it would be clear, that angels brought me here..  
..

Brought me here to be with you,  
I'll be forever grateful (oh forever Faithful)  
My dreams came true  
When I found you  
My miracle...

If you could see, what i see, you're the answer to my prayers  
And if you could feel, the tenderness i feel  
You would know, it would be clear, that angels brought me here..  
..  
Yes they brought me here...  
If you could feel, the tenderness i feel...  
You would know, it would be clear, that angels brought me here..  
..
