

# Animal in Me

Guy Sebastian

Most days I stayed backed up against the wall  
Don't fight it, keep quiet, do what I'm told  
Go with it, don't risk it, I might break the mold  
How do I make my great escape?

I gotta break outta this cage  
Will somebody sound the alarm?  
Cause I'm locked and I'm loaded, I'm armed  
Woah oh, woah oh

Tonight I'm gonna break free, are you with me?  
We're lion's on the run, we're reckless and we're young  
Gonna break free, they can't stop me  
Tonight you're gonna see the animal in me, yeah  
Animal in me, yeah, animal in me, yeah

They typed, they talked, they can say what they want  
Ain't changin', no shame, yeah, we do nothin' wrong  
Cause I'm happy, you're happy, we are who we are  
So put yo hands up high and say

I gotta break outta this cage  
Will somebody sound the alarm?  
Cause I'm locked and I'm loaded, I'm armed  
Woah oh, woah oh

Tonight I'm gonna break free, are you with me?  
We're lion's on the run, we're reckless and we're young  
Gonna break free, they can't stop me  
Tonight you're gonna see the animal in me, yeah  
Animal in me, yeah, animal in me, yeah

And the horns say  
And the horns say  
And the horns say  
And the horns say, yeah aye yeah

Tonight I'm gonna break free, are you with me?  
We're lion's on the run, we're reckless and we're young  
Gonna break free, they can't stop me  
Tonight you're gonna see the animal in me, yeah  
Animal in me, yeah, animal in me, yeah
