

# Armageddon

Guy Sebastian

Darkness is breaking, the windows are shaking  
It has begun, our time has come  
Come closer to me let me feel your heart beat, baby  
Chest to chest, no time to rest  
Like there's an asteroid approaching, it's approaching  
The clock is ticking, and I'm leaving nothing unsaid, nothing u  
ndone, nothing untouched

So tonight I'm gonna love ya like it's the last day on earth  
It's the last time I'll get to show you all that you're worth  
Like there's no going back, before the sky turns to black  
I'm gonna love you so there's no regrettin'  
Like it's Armageddon

This building may crumble but under the rubble there they will  
find us intertwined  
As there's an asteroid approaching, it's approaching  
The clock is ticking, and I'm leaving nothing unsaid, nothing u  
ndone, nothing untouched

Tonight I'm gonna love ya like it's the last day on earth  
It's the last time I'll get to show you all that you're worth  
Like there's no going back, before the sky turns to black  
I'm gonna love you so there's no regrettin'  
Like it's Armageddon

There's a million things to do but I only wanna be with you  
Us together, nothing better, you're all I have to lose  
So if this is our final hour,  
I'll show you without a doubt how strong, how deep my love can  
go

So tonight I'm gonna love you like it's the last on the earth  
It's the last time I'll get to show you all that you're worth  
Like there's no going back, before the sky turns to black  
I'm gonna love you so there's no regrettin'  
Like it's Armageddon  
Oh, Armageddon  
I'm gonna love you so there's no regrettin'  
Like it's Armageddon
